North Shongaloo-Red Rock Field  
Webster Parish, Louisiana  
Our File No. 340029.0378

Dear Sir:

On behalf of MARATHON OIL COMPANY, application is hereby made for a public hearing to receive evidence concerning the issuance of an order pertaining to the following matters relating to the Haynesville Sand, Reservoir D and Reservoir E, North Shongaloo-Red Rock Field, Webster Parish, Louisiana:

1. To permit the applicant to drill, designate and utilize alternate unit wells for HA RD SUK, HA RE SUR, and HA RE SUT, at the locations shown on the attached plat or at any legal location within such units.
2. To explicitly find that the proposed alternate unit wells are necessary to drain a portion of the Haynesville Sand, Reservoir D and Reservoir E, in the North Shongaloo-Red Rock Field underlying HA RD SUK, HA RE SUR, and HA RE SUT, which cannot be efficiently and economically drained by any existing well in such units.
3. To provide that the unit allowables for such units may be produced from either the unit well, the alternate unit wells, or any combination thereof, at the operator's discretion.
4. To consider such other matters as may be appropriate and justified by the evidence presented at the hearing.

The Haynesville Sand, Reservoir D, in the North Shongaloo-Red Rock Field, Webster Parish, Louisiana, is fully defined in Office of Conservation Order No. 104-G-3, effective June 1, 1988.
